wealthy shoe manufacturer, was
short to death on the night of Oct 2

A hundred yards from the Creager cottage is the only hotel at Point Isabel, a 2-story affair with railed porches running all the way around. Pigs and chickens wander about the courtyard or "patios obliques," to the excitement attending the arrival of the next president of the United States. The nar-row guage railroad connecting the point with Brownsville runs down the main street of the town.

Burros, goats, pigs, chickens and cattle mingle peacefully with the children of the hundred families of the village, all swarming around in the dusty street on terms of equality. Ninety-eight per cent of the 400

population here is Mexican and the Harding party made themselves un-derstood with greatest Almanda derstood with greatest difficulty when in quest of food. The lone hotel here was utterly swamped by the arrival of the party, guests be-ing squeezed in, three in a room. Conveniences are of the most primtitye nature and all guests line up before breakfast to wash in a basin on the back porch. The Carlos cafe and restaurant, boasting of a large sign in front but an exceedingly small kitchen in the rear, had to wash dishes several times before the entire party could be served. Mosquitoes and other insects were much in evidence during the night.

The inhabitants live in small one and two-room shacks, unpainted, some with thatched roofs, others

pieced together of rough boards in most rudimentary fashion. Dark akinned, black haired Mexican children run all over the town. Every woman holds an infant in her arms, while the fishermen of the village sit lazily in front of the general store, chewing tobacco and swap-ping yarns. All had a curiously foreign air. A naval officer and a detachment of marines at the naval radio station here were the only reminders that this is still the United States. Mexicans Give Day

Members of the party who ven-tured out into the village after dark carried lanterns, there no street lights. Mexicans of the village celebrated Harding's ar-rival with a dance in a low barnlike hall, lighted with two dim oil

EDITOR ROSSI LOSES LIFE IN RIOT AT MILAN

Prominent Barrister Slain At Socialist Demonstration.

Milan, Italy, Nov. 9.—Carlo Rossi a prominent barrister and editor of the newspaper Secolo, was killed and several persons were wounded during the clash between the po-lice and socialists during a demonstration here last night. Later, one of the men engaged in the demon-stration tried to tear down the national flag from a balcony of the Liberal Association building, and in the fight that resulted one man was killed and several intured.

Shots Exchanged. Turin, Nov. 9.—During a clash tween socialists and liberals here last night, shots were exchanged

and there were some casualties.

Fear Hapsburg Revival.

Santa Margherita, Italy, Nov. 9.—

Danger of a revival of a Danubian confederation, headed by a mem-ber of the Hapsburg family, ap-pears to be seriously regarded in Jugoslav circles. Members of the delegation which came here from Belgrade to confer with Italian representatives relative to a settlement of the Adriatic problem assert nomic and political support.

Dennis Chester Held at Kansas City at least half way. Through it all for Murder of Florence Barton on Lonely Road.
